Commissioner of Patents

- 1 The amendment filed 6/26/00 as paper no 19, is not fully responsive to the communication mailed 1/27/00/99 for the reason(s) set forth below:

The amended claims of this application contain changes made without underlining or brackets that are apparently intended to appear in the printed patent or are properly part of the claimed material. See claim 60 and 61, which contain text that does not follow from claims 60 and 61 added by Amendment B filed 11/22/99 as Paper no 16. It is not clear which version of claims 60 and 61 are intended to be examined. Underlining and brackets are used to indicate insertions and deletions, as required by 37 CFR 1.121(a)(2)(I). It is suggested (1) that all the claim amendments be proof read to insure that no other changes have been made without brackets or underlining and (2) that claims 60 and 61, at least, be rewritten appropriately following the Manner of Making Amendments (See MPEP 714.22).

2. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).
3. Any inquiry concerning this communication should be directed to Examiner Julie E. Burke, nee Reeves, Ph.D., Art Unit 1642, whose telephone number is (703)308-7553. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.
